OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 21 February 1967

25X1 1. [] Miss Esther Dukov in the office
of Congressman Gerald Ford (R., Mich.) called to inform me that
25X1 it is the Agency to whom [] wishes to talk. She said
he would be unable to be in touch today but she would make an appoint-
25X1 ment with [] for Friday or Monday. We agreed that it
25X1 was best that [] start with [] and then be put in touch
with someone else if it appears indicated.

25X1 3. [] Talked to Congressman Hervey
Machen (D., Md.) concerning his constituent case of []
25X1 [], who had been employed by the Agency and asked to
resign after taking his polygraph. I explained that this case was
25X1 not based on the polygraph but on statements made by [] himself
independently and disqualified him for employment with the Agency.
25X1 I noted that we had offered assistance to [] through our
placement service. Machen understands the circumstances very
25X1 well and said he would handle this orally with [] mother, who
was the instigator of the original inquiry.
